

## **TERMINATION OF PAPER SUBSCRIPTIONS**

### **SPECIAL NOTICE TO CONTRACTORS**

Gradual steps will be taken over the next few months to accomplish the ultimate goal of providing more electronic options to contractors in the future. At this time MoDOT is eliminating paper copies of the Notice of Bid Opening, Low Bid Summary, Federal and State Wage Rates, Notice of Awards and Bid Tabulation Reports. Paper copies will be eliminated over the next year by fulfilling existing subscriptions, but not taking renewals or new subscriptions. September 30, 2002 is the last date that a new subscription or renewal will be accepted. The above-mentioned bid related documents are currently available on MoDOT's Internet site located at [www.state.modot.state.mo.us](http://www.state.modot.state.mo.us) in the Business With MoDOT, Bid Opening Information area. These documents will only be available on the MoDOT website after the current paper subscriptions expire, they will not be e-mailed to your company. Please call 1-888-ASK-MoDOT or use the bidquestions link on our website if you have any questions when working with the bid opening section of our website. In the future MoDOT may send an e-mail notification on the date the monthly Notice of Bid Opening is available on our website.

In order to move towards more efficient means of communication, MoDOT will be taking steps towards increased electronic methods of doing business with contractors. MoDOT requests that any contractor who plans to bid with MoDOT please furnish an e-mail address to be added to their Contractor Questionnaire. This information can be sent using the bidquestions link on MoDOT's website or mailed to: MoDOT, Attn: Operations - Mary Diemler, P.O. Box 270, Jefferson City, MO 65102. Some contractor specific information may be sent via e-mail once an e-mail address is available..

The bidquestions link is located on our website in the Business With MoDOT – Bid Opening Information – General Information section. The bidquestions link is for non-project specific bid related questions. Project specific questions should be directed to the project contact listed in the Job Special Provisions in the orange Request for Bid documents. Please indicate the purpose of the e-mail on the subject line when using the bidquestions link.
